Subject: RE: Red Hill Project Coordinator Meeting - 14 Dec or ?

Jimmy,

Some topics for our call on Monday Dec 14:

- Review of Nov 30 - Dec 4 Scoping Meetings
- Discussion of schedule for further scoping meetings
- Response to HBWS December 3, 2015 letter
- Dissemination of information to public

Regarding the last item, we are talking about not just official deliverables, but also supporting information such as meeting minutes and materials. This may have to be a larger discussion with agency counsel present. We should at least touch on the subject and see if we can schedule a dedicated meeting, but we would like to have that discussion soon, either later on Monday or Tuesday.

Look forward to talking with you on Monday. I assume we are still on for an 8:30 am (HST) call?

Team,

Trust everyone is doing well after our meetings last week.

Propose the next meeting at 0830-0930 HST, next Monday. Is this okay?

I have a conflict with our usual time but if not, I can fit in a call from 1145 - 1230 HST (but this is lunch).
Next option is Tuesday (12/15) 1 hr within 0830 - 1045 HST.

V/R,

Jimmy Miyamoto, P.E.
Deputy Operations Officer
NAVFAC Hawaii
